

been to improve the quality of life for all construction workers, promote the value of highly skilled union crafts women and men, and to increase the union market share in the construction industry.

The San Mateo County Building & Construction Trades Council has also understood the importance of not only developing a strong foundation of skilled crafts persons through apprenticeship programs, but also the need to reach out to developers, public agencies, and elected officials to explain why it makes good business sense to use union contractors and union workers. The San Mateo County Building & Construction Trades Council's active approach in voicing the need for construction workers to be paid decent wages with pension and health benefits so they and their families can afford to live in the community illustrates its commitment to every single worker.

Madam Speaker, we ask our colleagues to join us in honoring the San Mateo County Building & Construction Trades Council as it celebrates a century of building and serving San Mateo County. We salute Bill Nack, the council's business manager and every single member of the council. The work of generations has shaped and built San Mateo County as we know it today, and contributed to the building of our country as well.

May the next century be marked by the excellence and achievements of the first 100 years of the Building and Construction Trades Council of San Mateo County.

HON. JIM COSTA

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

Wednesday, May 7, 2008

Mr. COSTA. Madam Speaker, I rise today to congratulate the Morehouse College Glee Club, as they visit Saints Rest Missionary Baptist Church in Fresno, California.

Established in 1945 by the late Rev. A.W. White, and currently led by Pastor Shane B. Scott, the Saints Rest Missionary Baptist Church is an esteemed member of the local religious community. Their hosting the Morehouse College Glee Club is certainly an exciting occasion worthy of special recognition.

The Morehouse College Glee Club boasts a 90-year tradition of excellence in musical achievements. Then current director, Dr. David Murrow has been a member of the music faculty at Morehouse College since 1981. In 1994, the glee club performed the National Anthem with Natalie Cole for Super Bowl XXVIII in Atlanta, Georgia. They also participated with Stevie Wonder, Gloria Estefan and Trisha Yearwood in the opening and closing ceremonies of the 1996 Summer Olympic Games held in Atlanta. Furthermore, the glee club has toured cities in Russia as well as Poland. Along with international tours and local concerts, the glee club presents an annual spring tour which averages 10 to 15 cities in 2 to 3 weeks.

The history of this institution demonstrates that it is only by embracing the importance of cooperation and vision that great success can be achieved. I am honored to congratulate Morehouse College Glee Club as they visit Fresno, California.

TRIBUTE TO MARINE SGT. GLEN MARTINEZ

HON. JOHN T. SALAZAR

OF COLORADO

IN THE HOUSE OF REPRESENTATIVES

Wednesday, May 7, 2008

Mr. SALAZAR. Madam Speaker, I rise today to honor the memory of Marine Sgt. Glen Martinez, a great American who gave his life in service to our Nation. Born in Alamosa, Colorado, and raised in Monte Vista, Colorado, Sergeant Martinez was a born leader who inspired everyone he met throughout his life. His family describes him as a strong and highly driven individual. His desire to work hard, ability to see the best in others and motivate them allowed him to excel at school, sports and as a marine.

Sergeant Martinez was very involved in his school and community. After his passing, many people have contacted the family thanking them and sharing memories. His family remembers him always trying to get everyone involved, especially his most quiet and reserved peers. He also dedicated himself to his studies. His father, Ron Martinez, remembers his son studying early in the morning while listening to Bach and Beethoven.

Sports and school activities were also a major part of his life. In high school he took part in the State Marching Band, earning the Louis Armstrong Jazz Award. During his junior year he helped lead his football team to the semi-finals. Over the 4 years that he competed on the wrestling team, he held a record of 111 wins and 29 losses. He realized these accomplishments while earning an academic honorable mention. When preparing for college, Sergeant Martinez was offered scholarships for football, wrestling and baseball.

Sergeant Martinez accepted a scholarship to play baseball while earning a degree in surveying from Westwood College and later a master's degree in hydro engineering at the University of Colorado. His advanced degrees would have exempted him from having to go through basic training. Out of respect for his fellow marines, Sergeant Martinez chose to attend basic training even though he was not required to. He refused to ask people to do what he had not done himself.

When asked why he would give up his lifestyle to join the Marines he responded, "I am tired of people cutting down my country." Of 700 recruits, Sergeant Martinez was one of seven honored upon graduation. "His drill ser-

geant singled him out as one of the best he'd ever had," said his father.

On Friday, May 2, 2008 at 11:10 p.m., while on his second tour in Iraq, Sergeant Martinez gave his life in service to our Nation. He was 31 years old when a roadside bomb took his life along with that of three fellow marines.

I send my deepest condolences to the family of Sergeant Martinez. My thoughts go out to them in this difficult time. I hope they may find comfort in the knowledge that Sergeant Martinez gave his life to defend an ideal he believed in. Sergeant Martinez joins 57 other heroes from Colorado who have given their lives while serving their country.

DEVELOPING A COMPREHENSIVE REGIONAL STRATEGY IN CHAD AND DARFUR

SPEECH OF

HON. JANICE D. SCHAKOWSKY

OF ILLINOIS

IN THE HOUSE OF REPRESENTATIVES

Monday, May 5, 2008

Ms. SCHAKOWSKY. Madam Speaker, I rise today to express my strong support for H. Res. 1011, which calls on the United States and the international community to develop, fund, and implement a regional strategy which addresses the security and humanitarian crisis in Chad, the Darfur region of the Sudan, and the northern region of the Central African Republic.

This timely and important legislation, of which I am proud to be a cosponsor, not only calls on the Governments of Chad and the Central African Republic to fulfill their obligations under international law to protect civilians, but also calls upon the President of the United States to continue humanitarian assistance to refugees and internally displaced persons in the region.

Chad has been plagued by intermittent conflict, both internally and with its neighbors, since it gained independence in 1960. The current President of Chad, Idriss Déby, took power after launching a coup across the border in neighboring Darfur, Sudan. He has since faced at least five coup attempts including one just this past February. Violence spurred by the Sudanese Government has also continued to destabilize Chad and the State Department's most recent Country Report on Human Rights Practices that, "the [Chadian] government's poor human rights record deteriorated further" this past year.

The refugee situation in Chad and the surrounding region continues to worsen. In the past three years, as fighting between the Government and rebels increased and 180,000 Chadians have been displaced, adding to the inflow of 290,000 refugees from the Central African Republic, CAR, and Sudan's Darfur region. The United Nations estimates that Chad is now home to 240,000 refugees from Darfur, 52,000 refugees from the Central African Republic, and more than 180,000 internally displaced people. In February 2008 alone over 12,000 new refugees from Darfur entered the country. We must develop a comprehensive plan to address the refugee crisis as well as the security problems that plague the region.

I visited Darfur and have seen the situation on the ground. Now high-tech GPS satellites and mass media allow everyone to bear witness to the tragedies in Chad, Sudan, and the
